

## Where do I find it?

- The RTP has three modes of exchange:
- The email-list: [ipafellows@uni-ulm.de](mailto:ipafellows@uni-ulm.de)
- The documentation on my homepage: [www.horstkaechele.de](http://www.horstkaechele.de)
- The facebook account

## ipafellows@uni-ulm.de

- My former secretary Rainer Ungermann is updating this list depending you the fellows sending change in their email address.
- PLEASE
- *Do not use this address for sending infos to individual members of the list or else you spam the list.*

member of the RTP, an initiative of the Mexican Psychoanalytic Association and IPA. Particularly, the RTP 2003 when I enrolled as a principal investigator in the outcome study.

## Analia Wald from Argentina

By the way, I would like to point out that the Program was really important in my academic and research career. The research project I submitted to the RAB last January has just received a grant and, of course, it has to do with what I could work out after the Training Program.  
Kind regards,  
Analia Wald

### Line Staenicke, Oslo

PhD project "Adolescents subjective experience of self-harm – a multiple case study"

Research group and cooperation: The study and the research questions grow out of the candidates clinical practice at Nic Waals Institute (NWI) – an outdoor unit for children and adolescents – at Lovisenberg Hospital in Oslo/ Norway, but the project are rooted in The Clinical Research Group at The Department of Psychology, University of Oslo.

Supervisors: Main supervisor is Professor Siri E. Gullestad, and the co supervisor is Professor Hanne Haavind.
