Modern Psychoanalyses

3rd International Congress

**June 30 – July 2, 2006
Saint-Petersburg, Russia**

Dear friends and colleagues!

The organizers of the 3rd International Congress of the European Confederation of Psychoanalytical Psychotherapies «Modern Psychoanalyses» have a great pleasure of welcoming you to Saint Petersburg, Russia, on June 30 –July 2, 2006.

The meeting is organized by European Confederation of Psychoanalytical Psychotherapies, European Association for Psychotherapy, National Federation for Psychoanalysis (Russia) and East-European Psychoanalytical Institute, the first psychoanalytic institution in Russian Federation.

The ECPP is an organisation whose purpose is to bring together all psychoanalytic psychotherapists and psychotherapeutic organisations based on the concepts of transference and resistance. The Congress aims to address, explore and exchange information on the state of psychoanalysis and psychoanalyses in our time.

The organizers are planning to discuss such topics as «Abuse, Neglect and Exploitation of a Patient» and «Descriptive and Experimental Psychoanalytical Studies».

Welcome!

*Professor Markus Faeh,
President of European Confederation of Psychoanalytical Psychotherapies,
Chairman, International Organizing Committee*

*Professor Mikhail Reshetnikov,
President of National Federation for Psychoanalysis (Russia),
Vice-chairman, International Organizing Committee*
